

SNACC Chapter Chatter

School Nutrition Association of Charlotte County
September 25, 2023

The beginning of Fall has brought a new beginning to the School Nutrition Association of Charlotte County with a changing of leadership to our Chapter. With an emotional passing of the gavel from our former SNACC President, Tina Billado, we welcomed our new SNACC President and long-time member, Michelle Mueller.

Our guest speakers for the evening were Nancy Basile and Regina Anderson, from our Human Resources Department. They brought a very large crowd of thirty-five people to our first SNACC meeting of the year! They gave a great presentation on our benefits and retirement packages, and gave us detailed information on the changes for the new school year.

Our meeting concluded with a meat-ball sandwich dinner with large selection of sides, and finished with prize giveaways! The September SNACC meeting was emotional, informative, and fun. The long-time members as well as the newest members are very excited about our next meeting!
