2023 NATIONAL SCHOOL BREAKFAST WEEK

Franklin County School Food Services' local chapter "dug into school breakfast" with their Seahawk students! This years NSBW was packed with games, muffin's for moms, 1st Annual Breakfast cookoff, a photo booth, and the serving lines were transformed into a "breakfast" construction site!

We even had the privilege of hosting Representative Jason Shoafs' Legislative aide, Amber Norris and her assistant/son for breakfast in the weeks leading up to NSBW!

Follow us @FCSFS19 to see more pictures and details!

Seahawk Food Services crew put their hard hats on and worked hard to build a healthy breakfast for the students of FCS.
