

Nominations Now Open for 2020 Future Leaders Scholarship

FSNA is looking for two promising Future Leaders to send to the 2020 SNA National Leadership Conference.

The Future Leaders we're looking for are individuals who have potential; individuals who can guide, influence, motivate or inspire others to do the important and meaningful work that we do, individuals who care about children ... care about the school food program ... are willing to do a little more, work a little harder and take that next step!

Having the ability to lead, coordinate, and motivate other people is a skill that almost anyone can develop, and having leadership capabilities helps us in all facets of life including: earning a promotion, coordinating a church group, helping the parent teacher organization, or becoming a local officer or FSNA Board member.

The FSNA Future Leaders Program is a once in a lifetime opportunity through which individuals with potential will gain the knowledge and tools to help them become a successful leader.

Individuals applying for this scholarship must meet the following criteria:

- Be a SNA and FSNA member
- Hold a SNA Certificate in School Nutrition and/or hold the SNS Credential
- Minimum of 3 years in school nutrition
- Demonstrated qualities for future association leadership and shown evidence of strong leadership potential
- Demonstrated interest in developing leadership abilities and shaping the next generation of state association/SNA initiatives
- Committed to life-long learning and career in school nutrition
- Energetic individual who believes in the importance of their local/state association and who is most likely to contribute to long-term growth and development
- Can be a FSNA Board member but should not have served as state president or currently serving as state president-elect or president.

If you know someone who has this potential, nominate them to be a Future Leader! Submit the nominee's name to info@floridaschoolnutrition.org by **December 13, 2019**.
