LEADERSHIP AWARD

Administrative/Supervisory Level Entry

Leadership Award

It is with great pleasure that I nominate Tony Jenkins for the Leadership Award Administrative Supervisory Level. Tony is currently the Food Nutrition Services Senior Manager-Training and Quality Assurance for Orange County Public Schools (OCPS FNS). In addition to his job, he demonstrates great leadership as the Florida School Nutrition Association Region IV Director (FSNA) and extraordinary commitment to his community as well as to the public. Tony has been a member of FSNA since 2014 and gained level 2 certification by taking continuing education courses with the School Nutrition Association (SNA).

Professional Involvement

On his role as FNS Senior Manager-Training and Quality Assurance for OCPS Tony is constantly improving our processes. Tony has changed our training department by bringing the digital aspect to our organization. On Thursday March 29th our FNS Director Mark Watson sent the emailed pictured to all FNS Operations Managers asking them to utilize a new form created by Tony. The clarity and design of the form has improved the process of the payroll department in properly compensating employees and charging the right location. Another example of Tony's expertise is his passion for advancement of FNS Training Department. During the Back to School Summit 2018-19 Tony led a training workshop for Employees Upgrades, Development and Compensation helping FNS Staff earn USDA Professional Development credits. All of Tony's workshops are entertaining and super motivating.

Importance: High

Hello Mark,

Would it be possible for consistency in payroll for all Operation Managers (or designees) to use this attached format for submitting floater hours to payroll. This form was set-up by Tony Jenkins and we feel if all the teams utilized it, it would be much more streamlined for payroll processing. Currently, locations are not being submitted by everyone by every Friday, several do not come in until the following week. In addition, everyone submits the information differently and some of the forms are so small it is difficult to read. We were trying to give it sometime to see if the consistency would improve. It is not too bad right now as there are so few floaters, however as we hire we feel it would be best to have this already in place and be the standard.

Please let me know

Thank you

Community Involvement & SNA Association

Tony's leadership does not stop at the workplace. His active involvement with Orange County community is outstanding. During Thanksgiving season Tony reached out to the members of OCPS local chapter OCSNA and assisted in feeding the homeless by providing and serving a hot meal along with Pastor Skip Fenglish of Word on the Street Homeless Ministries. Individuals in need from East Orlando Florida population were also able to take food and other necessary toiletries.

Other events on which Tony has worked and/or mentor others are: Holiday Food Giveaway and Toys for Tots Drive. Tony's leadership stands out during this event by helping recruit volunteers and motivate site leaders to organize and distribute a much needed nutritious meal to over 2,400 families in Central Florida.

Tony also helps the local chapter OCSNA to organize fundraising events, he works closely with FNS Director Lora Gilbert in finding ways to fund the association. One of the many events that Tony helped organize was the OCPS Car Show. He had the food truck at the event including a new menu item “the mac burger”.

Subject: FSNA expiration

Hi Lora,

Some of the FSNA members who are applying for awards are telling me their membership expires on March 31st. Vanessa Lozada for example is going for the President's Gold award and Lawrence Spears is going for the Humanitarian award. Awards are due April 15th, and if their memberships are expired they would not qualify to apply. I'm not sure who else falls into this category, but these were 2 that I was made aware of. Just wanted to bring it to your attention.
